

L'Ombre et la Rose/Shadow and the Rose Application Instructions

EYES

Using the SHADOW AND THE ROSE PALETTE apply **Bourbon Rose** with the EYE BASIC BRUSH, from the base of the top lashes to slightly above the crease creating a soft "smokey" effect.
This is the COLOR

With the EYE DIFINER BRUSH apply a soft layer of **Lilac Rose** all over the eyelid as a topcoat.
This is the Highlight.

Define the lash line with **LE STYLO** liner, creating a thick line following the natural shape of the eye, slightly extending it towards the outer corners of the eye.

Apply two coats of MASCARA NOIR to top and bottom lashes.

CHEEK

Using the CHEEK BRUSH apply **Peach Rose** CHEEK SHADE (center pan of the SHADOW AND THE ROSE PALETTE) starting at the inner edge of the cheek bone working in soft, short strokes downwards, out towards the temples.

LIPS

Using the LIP LINER BRUSH, apply a soft coat of **Sari Rose** LIP CHIC starting from the middle of the bottom lip spreading the color outward. (This prevents from an excess of lipstick "bleeding" to the outer edge of the lips.) Now, outline the shape of the top and bottom lips with Tone LIP DEFINER pencil, drawing from the edges inwards.

Apply **Amaretto** LIP GLOSS for extra shine with the GLOSS BRUSH.
