

# C H A N T E C A I L L E

## Les Dauphins Palette

### Application Instructions

#### FACE

Using the **CONCEALER BRUSH**, apply **FUTURE SKIN** to the face and retouch red areas with **NEW STICK** for a perfect finish.

#### EYES

Using **LES DAUPHINS PALETTE** apply the **Color** with the **EYE BASIC BRUSH** on the eyelid from the base of the top lashes to slightly above the crease.

With the **EYE PERFECTOR BRUSH**, apply the **Definer** from **LES DAUPHINS PALETTE** along the upper lashes creating a delicate, smoky effect.

Apply the **Base** with the **EYE CONTOUR BRUSH** along the brow bone.

For a delicate touch of drama, define the lash line with **LE STYLO BROWN** liner, creating a thin line following the natural shape of the eye and slightly extending it towards the outer corners of the eye.

Apply two coats of **FAUX CILS MASCARA** to top and bottom lashes.

#### CHEEK

Using the **CHEEK BRUSH**, apply the **Cheek** color from **LES DAUPHINS PALETTE**; start at the inner edge of the cheekbone, working in soft strokes downwards and out towards the temples.

Using **FACE BRUSH** apply **TALC FREE LOOSE POWDER** starting in the middle of the forehead working down the center of the face (T-Zone).

#### LIPS

With the **LIP LINER BRUSH**, apply a soft coat of **CHINA ROSE LIP CHIC** or **BOURBON ROSE LIP CHIC** starting in the middle of the top and bottom lip and spread the color outward. Now shape the lips with **DISCREET LIP DEFINER**, drawing from the edges inward.
