## Summer in Havana Application Instructions

Using your finger tips apply a thin layer of **Just Skin** starting in the cheek area working in small downward strokes. Concentrate on the areas that appear red.

Apply **New Stick** with the *Concealer Brush* where additional coverage is needed.

### EYES

With the *Eye Basic Brush*, apply Lasting Eye Shade in **Coriander** on the eyelid from the base of the top lashes to slightly above the crease.

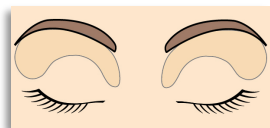

Define the top lash line with **Flint** Precision Pencil, following the natural shape of the eye.

Use the *Eye Emphasizer Brush* to smudge the line emphasizing the outer corners of the eye with Lasting Eye Shade in **Patchouli**, creating a delicate smokey effect.

Apply the Shine Eye Shade in **Shell** using the *Contour Brush*, along the brow bone.

Apply two coats of **Mascara Noir** to top and bottom lashes.

### LIPS

With the *Lip Brush*, apply a soft coat of **Sari Rose** Lip Chic starting in the middle of the top and bottom lip and spread the color outward. Now shape the lips with **Tone** Lip Definer, drawing from the edges inward. Finish by applying **Folly** Brilliant Gloss for extra shine.

### CHEEK

Using the *Cheek Brush*, apply **Emotion** Cheek Shade; starting at the inner edge of the cheekbone, working in soft strokes downwards and out towards the temples

Prior to sun exposure dust the face completely with **Protection Naturelle SPF 46 PA +++** in the shade of your choice.
